ARRIVAL OF THE GRAND EXALTED RULER OF ELKS

JUDGE JEROME B. FISHER.

Eighty well-deserving citizens of Honolulu will be given the privilege of donning the antlers and initiation into the mysteries of the herd at Progress Hall tonight.

Judge Jerome B. Fisher, Grand Exalted Ruler, will conduct the initiation, having arrived here on Saturday morning for that especial purpose, after having visited the lodges at Indianapolis, Omaha, Salt Lake City, Los Angeles, San Diego, Redlands, San Jose, Sacramento and San Francisco.

He is accompanied by Mrs. Fisher, Dr. and Mrs. W. F. Kennedy, James Nelson, Judge J. C. B. Hebbard, Joseph Gaylin and wife and E. H. Bryan, Jr.

Judge Fisher has been prominently identified with the Elks for many years before being honored with the highest office in the gift of the order last July. By profession the Grand Ruler is a lawyer, and is now serving as Judge of the County Court at Jamestown, New York.

He is enthusiastic over the prospects of the order and its rapid growth of late years. According to Judge Fisher, the personnel of the order has greatly improved of late and now comprises among its numbers thousands of men prominent in the highest walks of life. He speaks feelingly of the cardinal principles of the order—charity, justice, brotherly love and fidelity—principles which have an ennobling influence on men, no matter what their creed.

The Elks is essentially an American order, citizenship of the United States being an important qualification for membership; and among the members are some of the first American citizens of today. President McKinley is an applicant for membership, William Jennings Bryan is a member with Judge Day, ex-Secretary of State, Speaker Henderson, eighteen United States Senators and seventy-five Congressmen.

SONS OF OHIO IN HAWAII

The California Organization
Wants Them to Make
Themselves Known.

San Francisco, April 2, 1901.
Editor Advertiser: Enclosed you will find copies of circular letters which are self explanatory. We notice in your edition of March 12, 1901, a notice to "All native Ohioans residing here" to meet and form a "Buckeye Club." If this club has been formed we would like to have its roster, for publication in the roster mentioned in circular letter. If not yet formed we would like to have the list of Ohioans in the Islands so far as it can be obtained, for the same purpose, giving when practicable their place of birth or place of residence in Ohio, as indicated on the within card. Roll to be accompanied by name of some one for president and for secretary, with whom we may be able to correspond in future. We should have this roll as soon as possible.

We ask that you place this matter in the hands of interested Buckeyes. Thanking you, I am

Yours very truly,
W. A. WHITESIDE,
Assistant Secretary.

The circular referred to is as follows:
To the Residents of the Hawaiian Islands and Natives of the State of Ohio.

Gentlemen: The board of directors of the Ohio Society of California (Incorporated), in compliance with instructions received at last meeting of said society, desires to make to you the following proposition, in the hope that it may facilitate the organization of a local social Ohio Society in your midst, temporarily at least, and not contributing financially to the State Society, but connected with it merely by affiliation.

If you will interest yourselves in organizing a society for the Hawaiian Islands, to consist of not less than twenty-five members, each of whom shall possess the requirements for membership in this society, viz., "Not less than eighteen years of age, of good moral character and a native of the State of Ohio, or having resided in Ohio for a period of at least five years;" select a president and secretary and such additional officers as you may desire, you will then immediately notify our secretary of such organization and selections and send him a copy of your roll and the names of those who may be added thereto up to and including April 30, 1901, giving, as well, the date and place of birth, when practicable, and present postoffice address; we will place the name of your local organization and the individual members thereof upon a roster, hereafter to be published and to be used upon the occasion of the launching of the battleship Ohio.

This society will furnish your secretary from time to time information

The order of Elks, now constituting 685 lodges and an approximate membership of 100,000, was started in 1883, and while languishing for twenty-three years at the ominous total of thirteen lodges, took a sudden spurt upwards and seems to have begun another forward movement within the last few months, over seventy-five lodges having been installed since Judge Fisher was elected as Grand Exalted Ruler.

The order is first and always a fraternal organization and one that has long been celebrated for the "good times" associated with its meetings, banquets and picnics. Many prominent members of the theatrical profession are on the rolls and the stage folks are always welcome at the lodge.

The aspiring charter members of the Honolulu lodge will doubtless prove no exceptions to the "good time" methods of the fraternity. A banquet is arranged for during the week, and the utmost efforts will be used to entertain the visitors during their stay.

The application for the establishment of a local lodge has been in for over a year, but has been delayed in the hope of the present visit from the Grand Exalted Ruler.

The visiting Elks are at present stabled at the Hawaiian Hotel and were busy yesterday enjoying the delights of Honolulu pastures. They are also busily engaged in wrapping up large-sized packages for the novitiates tonight.

The incoming herd being so numerous, the proper amount of attention cannot be given to all, but it is rumored that ten unfortunates have been selected who will serve as examples of how it should be done. Local Elks are burnishing and sharpening their hoofs and antlers in anticipation of a "glorious glutony of gore."

Novitiates are requested to take comfort from the statistical showing that no one has, up to date, been actually killed outright at an Elk initiation.

which will be of interest to you and likewise an official badge, free of cost, for each member so enrolled, which will entitle him to all the rights and privileges to be enjoyed by members of this society on the occasion of the launching.

W. A. WHITESIDE,
Assistant Secretary.

KILL THE DANDRUFF GERM
Or Your Hair Will Fall Out Till You Become Bald.

Modern science has discovered that dandruff is caused by a germ that digs up the scalp in scales, as it burrows down to the root of the hair, where it destroys the hair's vitality, causing falling hair, and ultimately, baldness. After Prof. Unna of Hamburg, Germany, discovered the dandruff germ, all efforts to find a remedy failed until the great laboratory discovery was made which resulted in Newbro's Herpicide. It alone of all other hair preparations kills the dandruff germ. Without dandruff, hair grows luxuriantly. "Destroy the cause, you remove the effect."

Tourists and visitors should not fail to take a ride on the Pacific Heights Electric Railway. Unsurpassed view of ocean, mountain and valley, and the stretched-out city. Round trip, 10c.
